## About Toronto Cat Rescue

We're a registered, no-kill charity powered by volunteers. Our mission is to rescue and find homes for abandoned, sick or injured cats from situations of abuse, neglect or imminent euthanasia. Our vision is for Toronto to be a city in which no adoptable cat is killed and rescue organizations like ours are no longer needed. We rely on volunteers to foster cats in their homes until loving families adopt them. Having a network of foster parents allows every cat in our care to be part of someone's home. It gives a rescued cat a chance to adapt to living with a family, and sometimes with other cats, dogs and children.

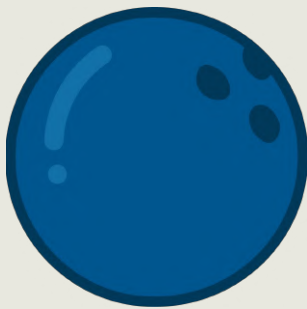

We also work with pet store partners to give these cats a chance to find their adoptive families quickly, so that we can save more lives each year. On average, we have over 300 cats in foster care at any given time, and we save over 2,500 cats every single year.

# What is the Bowl-a-Thon?

The Bowl-a-Thon is our longest-standing fundraising event, and this is the 20th year that it will bring together our community of cat lovers to raise funds for cats and have a little fun at the same time. This is one of our largest annual fundraisers, so your participation has an incredible impact on our life-saving work. Last year, the Bowl-a-Thon raised nearly \$40,000 including our sponsors, and this year our goal is to raise \$40,000!

We know it's going to be tough but let's aim high! Bowl-a-Thon participants join or create a team and raise online pledges from their friends/family.

## Important Notes:

- ✓ Every participant must raise a minimum of \$100 OR every team must raise a total of the equivalent of \$100/per team member (ie 3 team members = \$300)
- ✓ A team is 3 or more people.
- ✓ Register by August 27th to be guaranteed a team t-shirt!
- ✓ For this event, we are accepting online pledges or cash/cheques the day of the event
- ✓ Participants will be provided with a TCR t-shirt, participation "thank you" gift bag and a cat tail and ears!
- ✓ Donations of \$20 or more may be issued a tax receipt
- ✓ Participants of all ages are welcome!
- ✓ The top fundraisers and bowlers will be eligible to win great prizes!

# Raise Pledges Online

Online fundraising is especially effective because it's instant, fast and easy – especially for social media and email appeals. Donors will receive an automatic tax receipt, and you don't have to worry about collecting cash or cheques.

## Register a Team (3+ People)

Be a team captain and get the rest of your household or friendship group moving! Please note that the teams are listed on our website with the team name and the first names of the participants. If you'd prefer that your team not be listed, please let us know.

To register your team fundraising page, please sign up via our website!

Follow the step-by-step registration process to set up your team to fundraise online through Bowl-a-thon event page! Each team member will have a personal fundraising page under the team fundraising page.

**Make sure you check off “Yes, I would like to receive communications from Toronto Cat Rescue” so we can stay in touch in the future!**

Once you've set up your team page, you can click on “edit” in the left-hand corner of the screen and invite your team members to set up their own pages, under “manage team”.

## Register as an Individual

Don't have a team? Don't worry! You can also sign-up as an individual and we'll add you to a team of other individual participants.

To sign up, go to our website and follow the instructions on the Bowl-a-Thon page!

You will then be walked through the process of setting up your personal fundraising page.

# Tips for Successful Fundraising

## **Use social media to your advantage!**

Share your Fundraising Page on Facebook, Twitter, Instagram, and any other social media that you engage with. Be sure to include cute photos of cats and kittens in your posts, as they will attract the most attention.

**Make your Facebook profile photo the Bowl-a-Thon image** we have provided you and link it to your fundraising Page.

**Make your email signature a request for pledges** and link it to your fundraising Page.

The most effective way to fundraise is by asking people in person. Tell your friends and family all about your amazing efforts the next time you see them and bring your pledge forms everywhere you go!

Begin your conversation with a potential donor by sharing a cat rescue story (many are available on our website) and see where the conversation takes you!

**Ask for pledges in lieu of gifts** for your upcoming birthday, anniversary, or other special occasion.

**Send personalized e-mail requests** to your friends and family. Tell them a story and share why this cause is close to your heart!

## **Hold a small fundraising event.**

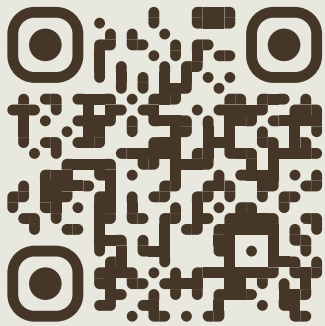

Ideas could include:

- ✓ A collection jar at work
- ✓ A bake sale, craft sale, book sale or garage sale
- ✓ Sell handmade items online
- ✓ Collect empty liquor bottles in your apartment building

# The Week Before the Event

During the week before the event, your team will be sent more information. When you arrive on event day, the registration tables will be set up with friendly faces to tell you where to bowl.
